

WEATHER RELATED ANNOUNCEMENTS

Administrators at CICS use their common sense and best judgment about whether or not to close the office.

Of course, our patients' safety is our top concern in making that decision.

The following is the procedure for inclement weather.

- If the office will have a delayed opening or early closing due to inclement weather, we will post a message on WFMZ Channel 69.
- If the weather in question happens in the morning, the message will be posted on WFMZ by 7:00 AM.
